Homeschool Group Grows Through Learning, Friendship

Gabe Stark
Reporter

What began as a few homeschooling families getting together has grown into a group serving about 70 school-age children, with hands-on activities and friendships that extend beyond the educational lessons.

Danielle Houston, who helped start the Tri-County Homeschool Group six years ago, said the group began with three or four families looking for opportunities for their children to develop friendships and learn together.

"It seems each year we keep growing more and more," Houston said.

The group draws families from communities including Chillicothe, Carrollton, Princeton and Bethany, as well as communities in between. Houston said several new families have joined this year, making the group slightly larger than last year, although she had not yet completed an exact count after its first meeting. Younger siblings also attend.

Classes meet twice a month from September through May. The group also offers a sewing circle, a physical education club and optional field trips throughout the year, with a year-end party in June.

Houston said the gatherings have evolved from a small playgroup into opportunities for hands-on learning. Among the children's favorite activities are STEM stations, where students rotate through different science, technology, engineering and mathematics activities.

The meetings supplement what families teach at home. Each family remains responsible for its own curriculum, while the group provides additional learning opportunities and time to socialize.

Ireland, and plans to add a firearms department this fall.

Ireland said shoppers welcomed familiar employees and remained positive despite long checkout lines at the four registers. The grand opening also featured drawings for shopping sprees and merchandise.

The store carries farm supplies, plumbing and electrical materials, hardware, tools and clothing for men, women and children. Tool brands include DeWalt and Milwaukee.

Ireland said the variety has attracted customers, particularly those needing plumbing, electrical and hardware supplies for weekend projects.

Much of the selection is standard across Bomgaars locations, although weather and regional needs help determine what individual stores carry. She can also contact the company about products it carries that are not stocked locally.

Finding a building large

enough helped bring Bomgaars to Trenton. Ireland said the company had been looking for a location in this part of Missouri.

She was hired during the first week of June, and shelving installation began July 8. Other employees in the company helped prepare the store, which opened less than seven weeks later.

Limited warehouse space meant merchandise had to be sorted and stocked from the sales floor. Ireland said deliveries reached seven or eight semitrailers a day during setup.

A Gallatin native, Ireland began working part time at Orscheln Farm and Home in 2008. She moved into management and later worked for Tractor Supply, including as a district manager in merchandising. She said knowing people in the community helped her find her footing in the business.

A former Orscheln colleague working for Bomgaars contacted her about the company's plans for the area. Ireland said Bomgaars' family ownership provides a personal atmosphere

similar to what she experienced at Orscheln.

"You can pick up the phone and get a hold of anybody. You know who to call to ask a question," Ireland said.

The store's next planned addition is firearms. Gun cabinets had been installed before the interview, and Ireland hopes to have pistols and long guns available by the end of October.

The store has begun making donations, and Ireland encouraged community members with requests to stop in and speak with her.

"The goal is just to be involved in the community and be here for a customer," Ireland said.

The staff includes full-time and part-time employees. Assistant managers, key carriers and department heads are among the positions. Ireland said her role involves working alongside them on the sales floor.

"I would not ask my employees to do anything that I would not do. I am a working manager. I'm on the floor. I don't like sitting in the office. You don't work for me; you work with me," Ireland said.

Sept. 17 meeting.

Webb said the band, made up primarily of freshmen and sophomores, has done well with the show, which features a variety of Latin music.

Following its competition in Carrollton, the band will appear at Southern Boone in Ashland on Oct. 10, the Missouri Day Parade on Oct. 17 and in Macon on Oct. 24.

Webb also shared highlights from the band's trip to Washington, D.C. in May, when Trenton was the only Missouri band among 30 high school bands participating in the Memorial Day Parade.

The band raised approximately \$84,000 for the trip. In addition to marching in the parade, students had opportunities to visit several historic sites.

"We still look at them as just getting together, socializing and then also being able to learn something in the process," Houston said.

Houston has helped lead the group since its beginning, handling much of the planning and organizing. A teaching committee made up of several other mothers also helps decide which classes to offer.

Building relationships remains a central purpose, both for the children and their parents.

"We do see a bond that is formed, not only through the kids, but also through the adults, and it's pretty awesome," Houston said.

Those connections often lead to outings outside the regular schedule. Through a private messaging group, families can invite others to join them at a park or take part in another activity.

Houston said she recently invited families to join her household on a trip to an apple orchard in St. Joseph, where she planned to purchase apples for homemade applesauce. Several families responded with plans to meet them there. Although the orchard visit had been replaced on the group's field trip schedule, it remained an outing families could enjoy together.

For Houston, homeschooling began with a practical challenge before the COVID-19 pandemic. She was operating an in-home daycare, had one child in public school and another preparing to enter preschool. Her daycare responsibilities made preschool drop-offs and pickups difficult.

The family decided to try homeschooling. The following year, Houston withdrew her

older daughter from public school and began teaching both daughters at home. She eventually stopped operating the daycare and now homeschools three children. Her fourth child is 2.

Houston said families choose homeschooling for a variety of reasons. For her, one benefit is the ability to adjust lessons to each child's needs.

A student might be ready for more advanced math while needing additional time with reading, she said. Homeschooling also allows families to adjust their schedules when a child needs a break, returning to lessons later in the day.

"The homeschooling aspect itself gives such a freedom for each family to be able to tailor the learning that their child needs at that moment in time," Houston said.

Group meetings typically begin after lunch and last three to four hours. A participation fee helps cover supplies and snacks, with remaining funds going toward field trips.

Enrollment remains open throughout the year, and families interested in learning more can visit to see whether the group is a good fit. Houston said they can contact her through the Tri-County Homeschool Group on Facebook by searching "Tri-County Homeschool Group" or clicking the link in the online version of this story at TrentonTelegraph.com.

As the group continues to grow, Houston said one long-term hope is to have a building of its own. The group has changed meeting locations several times after outgrowing previous spaces. A permanent home would provide room for students, supplies and displays of their artwork.

For now, she plans to continue the activities and connections that have helped the group grow.

Trenton Girls Claim Cross Country Invitational Title

Gabe Stark
Reporter

Trenton's girls cross country team made its first meet with a full lineup count Saturday, Sept. 19, winning the Bishop LeBlond Invitational in St. Joseph while the boys finished third.

The Bulldogs earned six individual medals, with three runners from each squad placing among the top 15.

Coach Chris Park said Saturday marked the first time all five Trenton girls competed together this season, with several balancing cross country and other sports.

"We're improving as a team" the coach said. "It's always good to come out on top."

Lilly Ferguson led the girls with a fourth-place finish, completing the 5-kilometer course in 25 minutes, 40.30 seconds. Rozalea Webb followed in fifth at 25:49.48, while Emma Lowrey earned the team's third medal by finishing 12th in 27:26.73.

Katie Ferguson finished one place outside the medals, taking 16th in 28:33.60. Lillyann Lorenz completed Trenton's lineup in 21st with a time of 31:40.58.

Boys

On the boys side, Asher Pryor paced the Bulldogs with a fourth-place finish in 18:10.09. Logan Harris placed eighth in 18:47.34 and Gabriel Harris followed closely in ninth at 18:51.18.

Gage Pierce finished 32nd in 20:38.13, Luke Csicsai placed 37th in 21:07.52 and Quinten Cannon took 48th in 22:48.15. Trenton finished behind North Platte and Penney in the team standings.

Team improvement

Beyond the medals and team finishes, Park said the Bulldogs are showing steady progress as they gain experience. Runners have been trimming 30 seconds or more from their times, with Lorenz making a particularly large improvement.

Lorenz cut approximately 5 minutes from her performance the previous week. Park said returning to familiar ground helped demonstrate how much she had progressed.

"It was the same course she ran the week before," Park said.

Park attributed her improvement to growing confidence after completing her first cross country meet and "realizing that she is capable of doing it."

That willingness to improve has carried into practice, where Park said the runners have embraced the work despite being new to the sport.

"Overall, I'm really proud of them," the coach said. "They're always willing to practice and work hard. ... We do a lot of morning practices from 6:30 to 7:30, and they never complain."

Trenton then went on to compete Thursday, Sept. 24, at Chillicothe. Park.

When Park spoke to the Telegraph ahead of the meet, the coach said he expects a larger field, estimating 25 to 30 schools will participate.

"It's going to be a tough, tough, tough course," he said. "There's over 100 runners for the boys I know right now. It's going to be a tough meet."

As of press time, results of the meet where unavailable.

Bulldogs Fall At Brookfield

Brady Miller broke loose for a 33-yard run, and five Trenton defenders recorded tackles for loss during the Bulldogs' football trip to Brookfield on Friday, Sept. 18.

Trenton fell 42-0 in the Grand River Conference matchup, moving to 0-4 overall and 0-2 in conference play.

Miller led Trenton's rushing attack with 61 yards on 14 carries. In addition to his 33-yard gain, he picked up 11 yards on two other runs.

Camden Skipper contributed 30 yards on 13 carries while Dru Vandevender added 22 yards on six attempts. Skipper also connected with Jacob White for a

23-yard completion.

The Bulldogs finished with 113 rushing yards and 23 passing yards for 136 yards of total offense.

Jace McCall paced Trenton's defense with five tackles, including two solo stops and three assists. He also recorded one tackle for loss.

Jackson Bethards made three solo tackles, including two behind the line of scrimmage. Vandevender, Bentley Lawrence and Asa Tuiaki joined McCall in recording one tackle for loss apiece.

Vandevender and Sam Ledbetter each finished with four tackles. Vandevender had

three solo stops and one assist, while Ledbetter recorded two solo tackles and two assists.

Kolt Mathews, Lawrence and Tuiaki each contributed three tackles. Mathews had two solo stops and one assist, while Lawrence and Tuiaki each had one solo tackle and two assists.

Henry Lasley, Kynsen Bain, Payton Baker and Kayden Foster each added a solo tackle. Matthew Kralicek and Chase Harris each recorded an assisted tackle.

The Bulldogs will have another opportunity to earn their first win when they return home to face South Harrison at 7 p.m. Friday, Sept. 25.

Trenton Falls to Kirksville

Gabe Stark
Reporter

Trenton showed improvement after a slow start, but could not overcome serving struggles in a straight-set volleyball loss at Kirksville, falling 25-12, 25-22, 25-19.

Alexis Bonnett led Trenton with 16 digs and two aces. Riah Vehikite recorded five blocks and five kills, while Sarai Birkhead contributed nine assists.

Despite the loss, coach Bradley Ewald saw encouraging stretches

as the Bulldogs grew more comfortable on the court.

"About midway through the first set, it felt like we finally shook off the funk we were in and just relaxed and played volleyball," the coach said.

Trenton made the final two sets more competitive, finishing within three points in the second set and six in the third.

The Bulldogs finished with a serving percentage of 76%. Ewald said defensive coverage also remained an area to improve with a couple of

players sidelined by injuries.

"Defensively, we are still working through some coverage issues while we have a couple players banged up on the sidelines," he said. "So, with those two things in consideration, I was much happier with our performance in the last two sets."

Trenton's junior varsity also lost in straight sets, 25-20, 25-13.

Trenton's record is now 3-7-2. They will be competing in the Hy-Vee Invitational Tournament on Saturday, Sept. 26.

Trenton Softball Falls To Lawson Despite 13-Hit Effort

Trenton collected 13 hits Monday, Sept. 21, but could not keep pace with Lawson's offense, falling 19-7 at home.

The Cardinals scored in every inning, including five-run outbursts in the second and sixth, and finished with 22 hits.

Trenton scored once in each of the first two innings but trailed 7-2 entering the third. Lawson extended its lead to 10-2 before the Bulldogs scored twice in the fourth. Trenton added three runs in the sixth, but Lawson maintained control and capped its scoring with three runs in the seventh.

Kimberly Clark led the Bulldogs at the plate, going 3-for-3 with an RBI, a run scored and two stolen bases. Lucy Price finished 2-for-3 with two doubles and a run scored, while Makayla Mejia contributed two singles and an RBI.

Emma Welch doubled, drove in two runs and scored once. Betsy Price added a single, an RBI and a run, while Kenlie McCall doubled and scored. Claire Woodard, Sydney Blackburn and Layla Woodard each added a single. Lillian Ortega also drove in a run.

The Bulldogs finished with four doubles, drew three walks and left

eight runners on base.

Welch started in the circle, striking out five and walking one over 2½ innings. She allowed eight runs on seven hits. Claire Woodard pitched the remaining 4⅓ innings, allowing 11 runs on 15 hits with four walks and one strikeout. Trenton committed three errors.

The loss dropped Trenton to 5-7. The Bulldogs traveled to South Harrison Sept. 22 and hosted Milan Sept. 24. As of press time, scores in these games were unavailable.

The Bulldogs will host the Nan Carter Tournament Saturday, Sept. 26.

"The club also gives students opportunities to participate in fun activities and events throughout the year."

This year's First Gen Club officers are President Shelby Henley, Vice President Michael Turner and Treasurer Hulita Amone.

The club is currently accepting new members and welcomes students who identify as first-generation college students, as well as their friends. No previous club experience is needed, and students do not have to hold a leadership position to get involved.

"The First Gen Club is all about creating a place where students can meet others who understand what it is like to be the first in their family to go to college," said Angela Heins, TRIO SSS assistant director. "We want students to know that they have a community here at NCMC and that they don't have to do college alone."

Upcoming First Gen Club meetings will be held in GH104 (Student Support Services) at 2 p.m. on Oct. 15 and Nov. 19.

The club plans to celebrate the fall season with Halloween-themed activities in October and a Christmas-themed activity in November. The club also plans to celebrate First Gen Day with a special campus event this year. Last year, the club celebrated with root beer floats in Geyer Hall.

Students interested in joining First Gen Club can email Angela Heins at aheins@pirates.ncmissouri.edu.

Be it resolved by the House of Representatives, the Senate concurring therein:

That at the next general election to be held in the state of Missouri, on Tuesday next following the first Monday in November, 2026, or at a special election to be called by the governor for that purpose, there is hereby submitted to the qualified voters of this state, for adoption or rejection, the following amendment to Article I of the Constitution of the state of Missouri:

Section A. Section 36, Article I, Constitution of Missouri, is repealed and one new section adopted in lieu thereof, to be known as Section 36(a), to read as follows:

Section 36(a). 1. The state’s duty to protect public health and welfare includes protecting the integrity and ethics of the medical profession. The state’s interest in regulating the practice of medicine is even greater in areas of medical and scientific uncertainty or in areas that raise grave moral and ethical concerns, including abortion and gender transition procedures.

2. An abortion may be performed or induced upon a woman in cases of medical emergency, fetal anomaly, rape, or incest. In the case of abortions performed or induced in cases of rape or incest, the abortion may be performed or induced no later than twelve weeks gestational age of the unborn child.

3. The general assembly may enact laws that regulate the provision of abortions, abortion facilities, and abortion providers to ensure the health and safety of the pregnant mother. These laws shall include, but not be limited to, laws requiring physicians providing abortion care to have admitting privileges at a nearby hospital; laws requiring facilities where abortions are performed or induced to be licensed and inspected for clean and safe conditions and adequate instruments to treat any emergencies arising from an abortion procedure; laws requiring physicians to perform a sufficient examination of the woman to determine the unborn child’s gestational age and any preexisting medical conditions that may influence the procedure; and laws requiring ultrasounds to be performed only by physicians or licensed medical technicians.

4. No abortion shall be performed or induced upon a woman based on a prenatal diagnosis, test, or screening indicating a disability in an unborn child, except in cases of a fetal anomaly.

5. No public funds shall be expended for the purpose of performing, inducing, or otherwise assisting any abortion, except in cases of medical emergency, rape, or incest, as otherwise authorized by law.

6. Except in cases of a medical emergency in which consent cannot be obtained, no abortion shall be performed or induced upon a woman without her voluntary and informed consent, given freely and without coercion. In the case of a minor under the age of eighteen years who is not emancipated, no person shall knowingly perform or induce an abortion, except in cases of a medical emergency in which consent cannot be obtained, unless the attending physician has obtained: (1) the written consent of the minor and a parent or legal guardian; and (2) documentation of the consent is retained in the minor’s medical record. Licensed medical physicians shall be required to provide women with medically accurate information. The general assembly may enact laws to provide for the right of a minor to consent to an abortion as granted by a court order.

7. Fetal organ harvesting after an abortion is not permitted under any circumstances.

8. A woman’s ability to access health care in cases of miscarriages, ectopic pregnancies, and other medical emergencies shall not be infringed by the state.

9. No gender transition surgeries shall be knowingly performed on children under eighteen years of age, and no cross-sex hormones or puberty-blocking drugs shall be knowingly prescribed or administered for the purpose of gender transition to children under eighteen years of age. The provisions of this section shall not apply to the use of such surgeries, drugs, or hormones to treat children born with a medically verifiable disorder of sex development or to treat any infection, injury, disease, or disorder unrelated to the purpose of a gender transition.

10. Any action challenging the validity of any state law relating to reproductive health care shall be brought in the Circuit Court of Cole County, Missouri. If a pleading, written motion, or other paper drawing into question the constitutionality of a state statute does not include the state, one of its agencies, or one of its officers or employees in an official capacity, the party bringing the action shall file a notice of constitutional question and serve it on the attorney general and the attorney general shall have the right to intervene in the litigation.

11. The general assembly shall have the authority to enact laws to carry out the

provisions of this section.

12. As used in this section, the following terms mean:

(1) “Cross-sex hormones”, testosterone, estrogen, or other androgens given to an individual in amounts that are greater or more potent than would normally occur naturally in a healthy individual of the same age and sex;

(2) “Fetal anomaly”, a structural or functional abnormality in the unborn child’s gestational development that would make life outside the womb impossible;

(3) “Fetal organ harvesting”, collection of fetal tissue, organs, or fluids, including any biological material, for the purpose of selling or collecting for scientific purposes, but shall not include the utilization of fetal tissue, organs, or fluids to determine the cause or causes of any anomaly, illness, death, or genetic condition of the unborn child, the paternity of the unborn child, or for law enforcement purposes;

(4) “Gender transition surgery”, a surgical procedure performed for the purpose of assisting an individual with identifying with and living as a gender different from his or her biological sex;

(5) “Medical emergency”, a condition that, based on reasonable medical judgment, so complicates the medical condition of a pregnant woman as to necessitate the immediate termination of her pregnancy to avert the death of the pregnant woman or for which a delay will create a serious risk of substantial and irreversible physical impairment of a major bodily function of the pregnant woman. A medical emergency shall include, but not be limited to, an ectopic pregnancy at any point following the diagnosis of such and treatment for a miscarriage;

(6) “Puberty-blocking drugs”, gonadotropin-releasing hormone analogues or other synthetic drugs used to stop luteinizing hormone secretion and follicle stimulating hormone secretion, synthetic antiandrogen drugs to block the androgen receptor, or any other drug used to delay or suppress pubertal development in children for the purpose of assisting an individual with a gender transition;

(7) “Reasonable medical judgment”, a medical judgment that would be made by a reasonably prudent physician, knowledgeable about the case and the treatment possibilities with respect to the medical conditions involved.

13. All provisions of this section are severable. If any provision of this section is found by a court of competent jurisdiction to be unconstitutional or unconstitutionally enacted, the remaining provisions of this section shall be and remain valid.

[Section 36. 1 This Section shall be known as “The Right to Reproductive Freedom Initiative”.

— 2. The Government shall not deny or infringe upon a person’s fundamental right to reproductive freedom, which is the right to make and carry out decisions about all matters relating to reproductive health care, including but not limited to prenatal care, childbirth, postpartum care, birth control, abortion care, miscarriage care, and respectful birthing conditions.

— 3. The right to reproductive freedom shall not be denied, interfered with, delayed, or otherwise restricted unless the Government demonstrates that such action is justified by a compelling governmental interest achieved by the least restrictive means. Any denial, interference, delay, or restriction of the right to reproductive freedom shall be presumed invalid. For purposes of this Section, a governmental interest is compelling only if it is for the limited purpose and has the limited effect of improving or maintaining the health of a person seeking care, is consistent with widely accepted clinical standards of practice and evidence-based medicine, and does not infringe on that person’s autonomous decision-making.

— 4. Notwithstanding subsection 3 of this Section, the general assembly may enact laws that regulate the provision of abortion after Fetal Viability provided that under no circumstance shall the Government deny, interfere with, delay, or otherwise restrict an abortion that in the good faith judgment of a treating health care professional is needed to protect the life or physical or mental health of the pregnant person.

— 5. No person shall be penalized, prosecuted, or otherwise subjected to adverse action based on their actual, potential, perceived, or alleged pregnancy outcomes, including but not limited to miscarriage, stillbirth, or abortion. Nor shall any person assisting a person in exercising their right to reproductive freedom with that person’s consent be penalized, prosecuted, or otherwise subjected to adverse action for doing so.

— 6. The Government shall not discriminate against persons providing or obtaining reproductive health care or assisting another person in doing so.

— 7. If any provision of this Section or the application thereof to anyone or to any circumstance is held invalid, the remainder of those provisions and the application of such provisions to others or other circumstances shall not be affected thereby.

— 8. For purposes of this Section, the following terms mean:

— (1) “Fetal Viability”, the point in pregnancy when, in the good faith judgment of a treating health care professional and based on the particular facts of the case, there is a significant likelihood of the fetus’s sustained survival outside the uterus without the application of extraordinary medical measures.

— (2) “Government”:

— a. the state of Missouri; or

— b. any municipality, city, town, village, township, district, authority, public subdivision or public corporation having the power to tax or regulate, or any portion of two or more such entities within the state of Missouri.]

Section B. Pursuant to chapter 116, and other applicable constitutional provisions and laws of this state allowing the general assembly to adopt ballot language for the submission of this joint resolution to the voters of this state, the official summary statement of this resolution shall be as follows:

“Shall the Missouri Constitution be amended to:

- Guarantee access to care for medical emergencies, ectopic

pregnancies, and miscarriages;

- Ensure women's safety during abortions;
- Ensure parental consent for minors;
- Allow abortions for medical emergencies, fetal anomalies, rape, and incest;
- Require physicians to provide medically accurate information; and
- Protect children from gender transition?"

EXPLANATION—Matter enclosed in bold-faced brackets [this] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

CONSTITUTIONAL AMENDMENT NO. 6

[Proposed by Initiative Petition]

OFFICIAL BALLOT TITLE:

Shall the Missouri Constitution be amended to:

- expand the initiative and referendum petition process by making it a fundamental right;
- allow courts to revise ballot summaries through lawsuits;
- prohibit the legislature from weakening initiative or referendum powers;
- prohibit the legislature from changing or repealing laws enacted through the initiative process, or passing laws similar to those rejected by referendum, without approval from at least 80% of both chambers; and
- preserve existing majority vote and signature requirements for initiative and referendum petitions?

State and local governmental entities estimate no costs or savings.

Be it resolved by the people of the state of Missouri that the Constitution be amended:

Article III of the Constitution is revised by adding six new sections to be known as Article III, Sections 54, 55, 56, 57, 58, and 59 to read as follows:

Section 54. Ballot summaries, including summary statements and fiscal note summaries, shall be clear, unbiased, fair, accurate, and easy to understand. Ballot summaries shall not seek to mislead voters. No current or future law passed by the legislature shall prevent the circuit court or appellate courts, including the supreme court, from immediately adjudicating and rewriting ballot summaries in whole or in part.

Section 55.

1. The legislature shall be prohibited from weakening citizens' initiative or referendum powers: no law passed by the legislature and no legislatively-referred law or constitutional amendment shall weaken citizens' initiative or referendum powers, not withstanding Sections 2(a) and 2(b) of Article XII of this Constitution, Section 1 of Article III of this Constitution, and any other provision or law or of this Constitution to the contrary. The phrase "weaken citizens initiative or referendum powers" shall be construed broadly, examples thereof including, but not being limited to, raising signature thresholds; shortening the time allowed for signature collection; narrowing allowable subject matter; imposing additional requirements on petitioners; preventing or delaying judicial revision of misleading ballot titles; prohibiting or nullifying severability clauses in initiated measures; rendering a simple statewide majority of votes cast on the measure insufficient to enact a law or constitutional amendment proposed by citizen initiative, or otherwise impeding or restricting citizens' powers of initiative or referendum. Any law or constitutional amendment that weakens citizens' direct lawmaking power, which is or has been proposed by the legislature after January 1, 2025, is hereby prohibited.

2. The rights of initiative and referendum as set forth in this Constitution are fundamental rights. Any registered voter or the state of Missouri has a right to propose laws and constitutional amendments by initiative petition and to propose the rejection or acts by the legislature by referendum petition, to sign such petitions, to circulate such petitions, and to vote on such petitions. However, no person shall qualify as a petition circulator who has been convicted of, found guilty of, or pled guilty to an offense involving forgery under the laws of this state or an offense under the law or any other jurisdiction if that offense would be considered forgery under the laws of this state.

3. Except as specifically set forth in this Constitution, any law affecting, governmental regulation of, or governmental action taken pertaining to, the fundamental rights of initiative and referendum as set forth in this Constitution is subject to strict scrutiny and must be narrowly tailored to achieve a compelling governmental interest.

Section 56.

1. As of the effective date of this section, the legislature shall be prohibited from changing any citizen-initiated law, changing any citizen-initiated amendment, or passing, proposing, or referring any law or constitutional amendment similar in effect to a law rejected by referendum petition, unless eighty percent of the House and Senate refer the change to a vote of the people, notwithstanding any provision of law or of this Constitution to the contrary.

2. For the purposes of this section, a "citizen-initiated law" is defined to be a law that the people have proposed and enacted by the initiative. For the purposes of this section, a "citizen-initiated amendment" is defined to be any section or article of this Constitution, or any portion thereof, that the people have proposed and enacted by the initiative as a constitutional amendment. For the purposes of this section, "changing" a citizen-initiated law or citizen-initiated amendment means passing, proposing, or referring a law or constitutional amendment which, if enacted, would modify, repeal, supersede, or undermine any part or a citizen-initiated law or citizen-initiated amendment, whether explicitly or by implication. For the purposes of this section, a law "rejected by referendum petition" is a law which has been passed by the legislature then subsequently rejected by the people by way of a referendum ordered by petition. For the purposes of this section, "unless eighty percent of the House and Senate refer the change to a vote of the people" shall mean at least eighty percent of the members of the House and at least eighty percent of the members of the Senate each separately vote to refer the proposed law or constitutional amendment to voters.

3. The prohibitions of this section shall be construed to protect laws and constitutional provisions enacted by citizen initiative after January 1, 2010, including both those enacted before and after the effective date of this section, and to protect referendum petition vetoes after January 1, 2010, including both those before and after the effective date of this section, from action by the legislature on or after the effective date of this section. "Referendum petition vetoes" shall mean when laws passed by the legislature are rejected by the citizens by referendum petition.

4. This section shall not be construed to deprive any member of the legislature of the right to introduce any bill or measure, but passage, proposal, or referral thereof by this legislature is subject to the prohibitions and requirements of this section.

Section 57. Notwithstanding any other provision of law or of this Constitution to the contrary, pre-existing signature and vote requirements shall be maintained, as follows: a simple statewide majority of votes cast on the measure by individual legal voters shall be sufficient to enact any law or constitutional amendment proposed by initiative petition; a simple statewide majority of votes cast on the measure by individual legal voters shall be sufficient to reject any law upon which a referendum is ordered by referendum petition; signatures from five percent of the individual legal voters in each of two-thirds of Missouri's congressional districts shall be sufficient to propose a law; signatures from eight percent or the individual legal voters in each of two-thirds of Missouri's congressional districts shall be sufficient to propose a constitutional amendment; signatures from five percent of the individual legal voters in each of two-thirds of Missouri's congressional districts shall be sufficient to order a referendum; and the number of signatures required shall be calculated based on the total vote for governor at the general election last preceding the filing of any petition. Notwithstanding any other provision or law or of this Constitution to the contrary, any law or constitutional amendment referred to voters by petition shall be decided when approved or rejected by a majority of the votes cast thereon, and not otherwise.

Section 58. Sections 54, 55, 56, and 57 are self-executing and shall be construed to strongly protect the citizens' powers of initiative and referendum, all political power being vested in the people and rounded upon their will only.

Section 59. If any provision or Sections 54, 55, 56, 57, or 58, or the application thereof to anyone or to any circumstance is held invalid, the remainder of those provisions and the application or such provisions to others or other circumstances shall not be affected thereby.

CONSTITUTIONAL AMENDMENT NO. 7

[Proposed by 103rd General Assembly (Second Regular Session) SS SCS SJR 95]

OFFICIAL BALLOT TITLE:

Shall the Missouri Constitution be amended to establish a permanent public endowment fund to support state government instead of taxing Missouri residents, prohibit the General Assembly from appropriating or diverting the fund, and eliminate state-imposed taxes once the fund generates sufficient revenue to replace them?

State and local governmental entities estimate no costs or savings.

Be it resolved by the Senate, the House of Representatives concurring therein:

That at the next general election to be held in the state of Missouri, on Tuesday next following the first Monday in November, 2026, or at a special election to be called by the governor for that purpose, there is hereby submitted to the qualified voters of this state, for

adoption or rejection, the following amendment to article IV of the Constitution of the state of Missouri:

Section A. Article IV, Constitution of Missouri, is amended by adding thereto one new section, to be known as section 15(a), to read as follows:

Section 15(a). 1. There is hereby established within the state treasury a fund to be known as the “Show-Me Prosperity Fund”, which shall be established as a permanent public endowment to provide long-term fiscal stability with the goal of eliminating state-imposed taxes without impairing the real value of the fund’s principal. The fund shall consist of moneys appropriated to it by the general assembly, and may also receive gifts, donations, grants, and bequests from any source.

2. (1) The state treasurer shall invest the fund in exchange-traded funds tracking the stock performance of the Standard and Poor’s 500, or a comparable successor index to be determined by law, in a manner consistent with fiduciary standards applicable to public trust funds.

(2) No moneys shall be appropriated from the fund prior to notification given by the state treasurer to the general assembly that the net investment earnings for the fund during the previous fiscal year is sufficient to replace the revenue generated by all taxes enumerated in subdivision (3) of this subsection, provided that any such notification shall be approved by the general assembly through a concurrent resolution within the first sixty calendar days of the regular session immediately following the notification given by the state treasurer.

(3) Moneys appropriated from the fund shall be used solely to eliminate the following state-imposed taxes:

- (a) The individual income tax;
- (b) The state sales and use tax;
- (c) The state corporate income tax; and
- (d) All other state-imposed tax in an order of priority to be determined by law.

(4) The amount of moneys that may be appropriated from the fund in any fiscal year shall not exceed three percent of the average market value of the fund over the preceding five fiscal years. The provisions of this subdivision shall not be construed to prohibit the general assembly from appropriating less than three percent of the average market value of the fund in any fiscal year.

(5) Upon the elimination of the taxes enumerated in subdivision (3) of this subsection, no such tax shall thereafter be enacted, provided, however, that in the event the fund is unable to meet its obligations due to insolvency, revenue shortfall, or program failure, the general assembly shall retain full authority to appropriate funds from any lawful source and to enact legislation establishing or increasing taxes or other revenues as necessary to ensure continuity of state programs and fulfillment of state expenditures that were anticipated to be supported by the fund.

(6) Upon the elimination of all taxes enumerated in subdivision (3) of this subsection, the general assembly may appropriate net investment earnings from the fund for the purpose of replacing federal moneys received by the state, for issuing dividend payments to residents of the state, or both.

3. Notwithstanding any provision of this section to the contrary, the principal of the fund shall not be appropriated, pledged, or borrowed against. The state auditor shall conduct an audit of the fund to ensure compliance with the provisions of this section at such times that the auditor deems necessary, but no less than once every three fiscal years.

4. The balance and investment performance of the fund shall be made available and updated at least quarterly on an existing free, internet-based database created by law or executive order for the purpose of tracking state and local financial information.

5. For the purposes of this section, the following terms shall mean:

- (1) “Individual income tax”, the tax imposed on individuals, estates, and trusts, and the fiduciaries thereof;
- (2) “Net investment earnings”, all income, gains, and appreciation realized by the fund, net of investment management fees and expenses.

Section B. Pursuant to chapter 116, and other applicable constitutional provisions and laws of this state allowing the general assembly to adopt ballot language for the submission of this joint resolution to the voters of this state, the official summary statement of this resolution shall be as follows:

“Shall the Missouri Constitution be amended to establish a permanent public endowment fund to support state government instead of taxing Missouri residents, prohibit the General Assembly from appropriating or diverting the fund, and eliminate state-imposed taxes once the fund generates sufficient revenue to replace them?”
